AMAL OWAIDH ALOTAIBI

Saudi Arabia | +966567503058 | amalaljauid0@gmail.com | LinkedIn | GitHub

PROFILE SUMMARY

Data Analyst with hands-on experience in Python, Pandas, Oracle SQL, and Power BI. Skilled in managing the full data pipeline including collecting and wrangling raw data from APIs and manual sources, cleaning, analyzing, and visualizing insights. Experienced in ETL pipelines, exploratory data analysis (EDA), and data-driven decision making. Holds multiple certifications from Udacity, Google, and Oracle.

EDUCATION

Bachelor of Science – Computer Science | Taif University, Saudi Arabia
College of Computer Science and Information Technology
2nd Grade Honors (Excellent) | GPA: 3.58 / 4.0 | 2021 – 2026

SKILLS

Technical Skills

- Python (Pandas, NumPy, Matplotlib, Seaborn)
- Data Wrangling & ETL Pipelines
- Exploratory Data Analysis (EDA)
- Oracle SQL & Database Design
- Power BI & Data Visualization
- API Integration & Data Collection
- Java, C++, HTML, CSS, JavaScript

Soft Skills

- Analytical Thinking
- Problem Solving
- Attention to Detail
- Teamwork & Collaboration
- Data Storytelling
- Business Analysis

PROJECTS

Udacity Data Analyst Nanodegree Projects

- **Project 1:** Analyzed 110,000+ medical appointment records to identify no-show factors using Python, Pandas, and Matplotlib.
- **Project 2:** Built an ETL pipeline gathering data from Kaggle and World Bank API to study happiness vs. population size.
- **Project 3:** Performed EDA on Ford GoBike trip data and created a visual presentation using Matplotlib and Seaborn.

PureData Hub | *Senior Project – 2025/2026*

- Developed a web-based platform for data analysis, cleaning, and standardization with analytical dashboards.

CERTIFICATIONS

- Data Analyst Nanodegree – **Udacity**
- Oracle Database SQL Certified Associate – **Oracle**
- Google Advanced Data Analytics Professional Certificate (v.2) – **Coursera**
- Data Fundamentals – **IBM SkillsBuild**

VOLUNTEER WORK

Member – IEEE TU Student Branch, Taif University | *Sep 2022 – Jul 2023*

- Contributed to organizing technical events, coordinating student activities, and supporting branch operations.

LANGUAGES

Arabic (Native) | **English**
